ADMODVM REVERENDO
ATQVE ILLVSTRI VIRO,
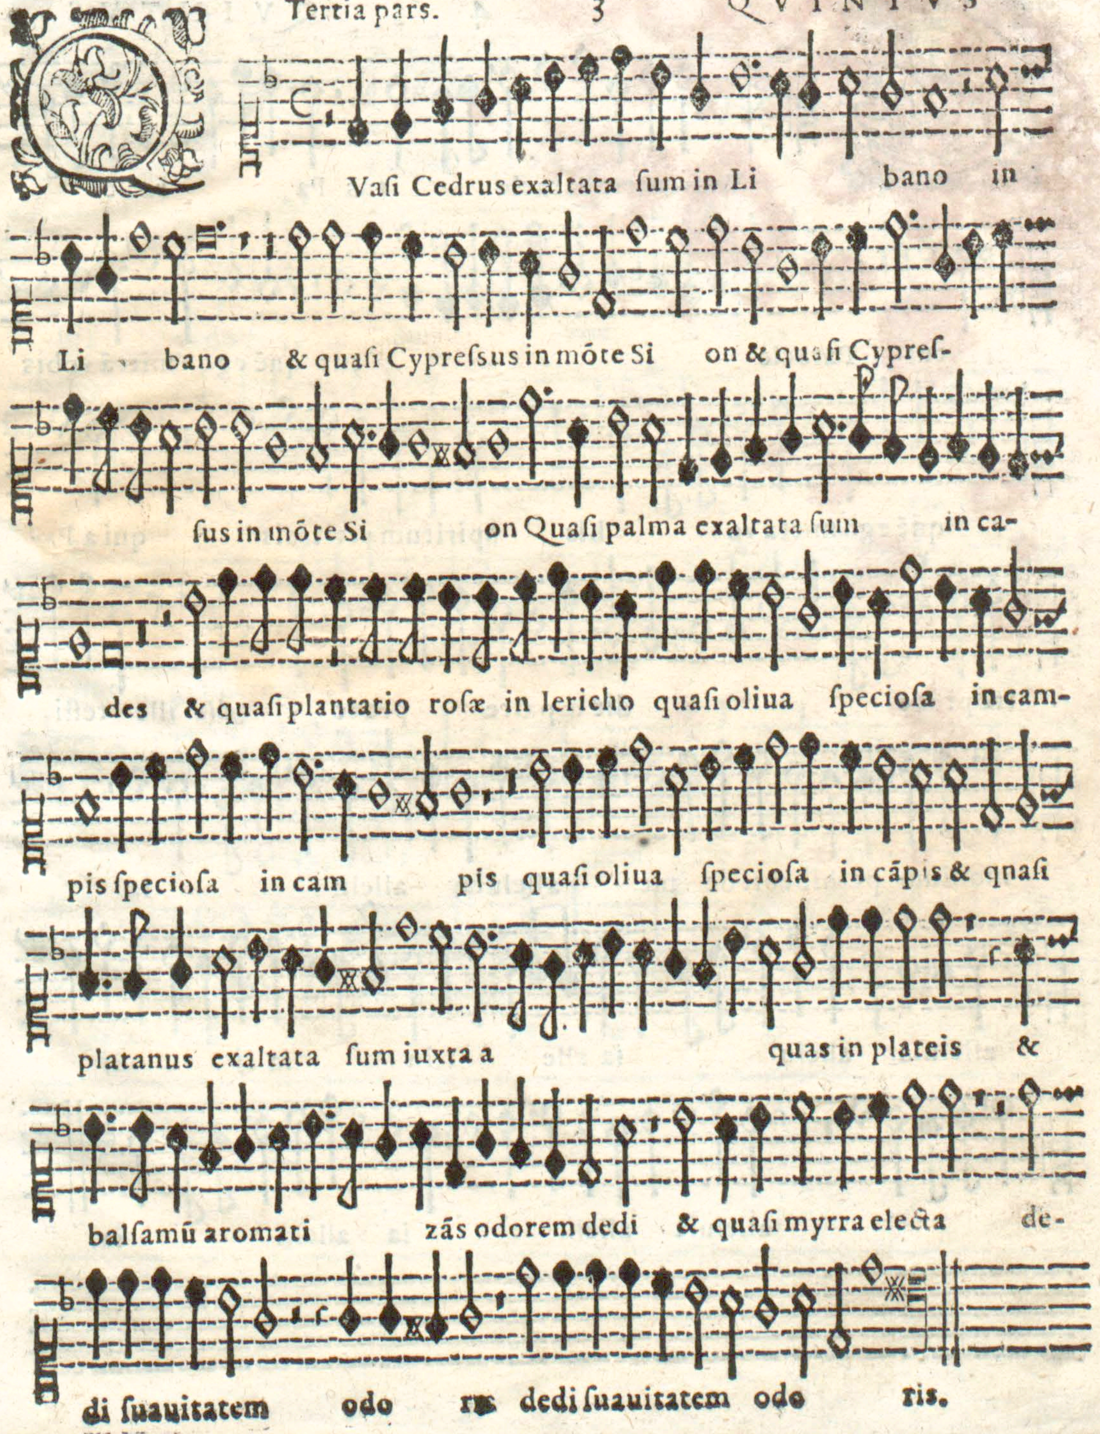

DOMINO BALTHASARO KVNIG. SS. THEOLOGIAE DOCTORI
Ecclesiæ Landishutanæ ad S. Martinum Præposito, summi templi Frisingensis Canonico, atque Serenissimi Bauariæ Ducis Consiliario, &c.
Domino meo obseruandissimo.
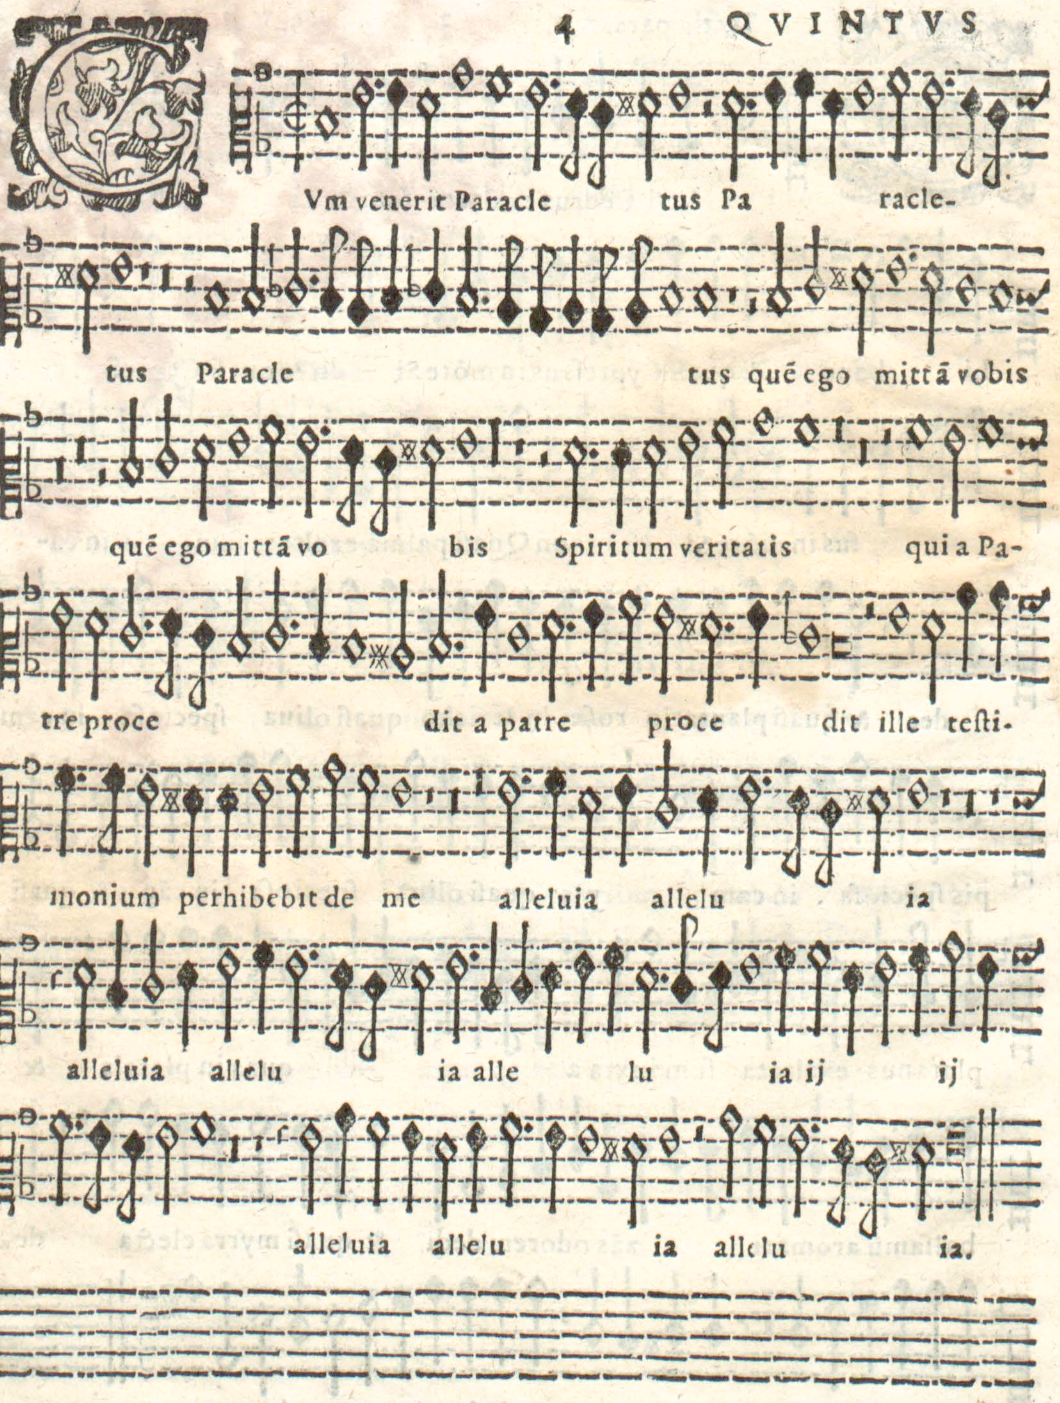

TIBVRTIVS MASSAINVS.
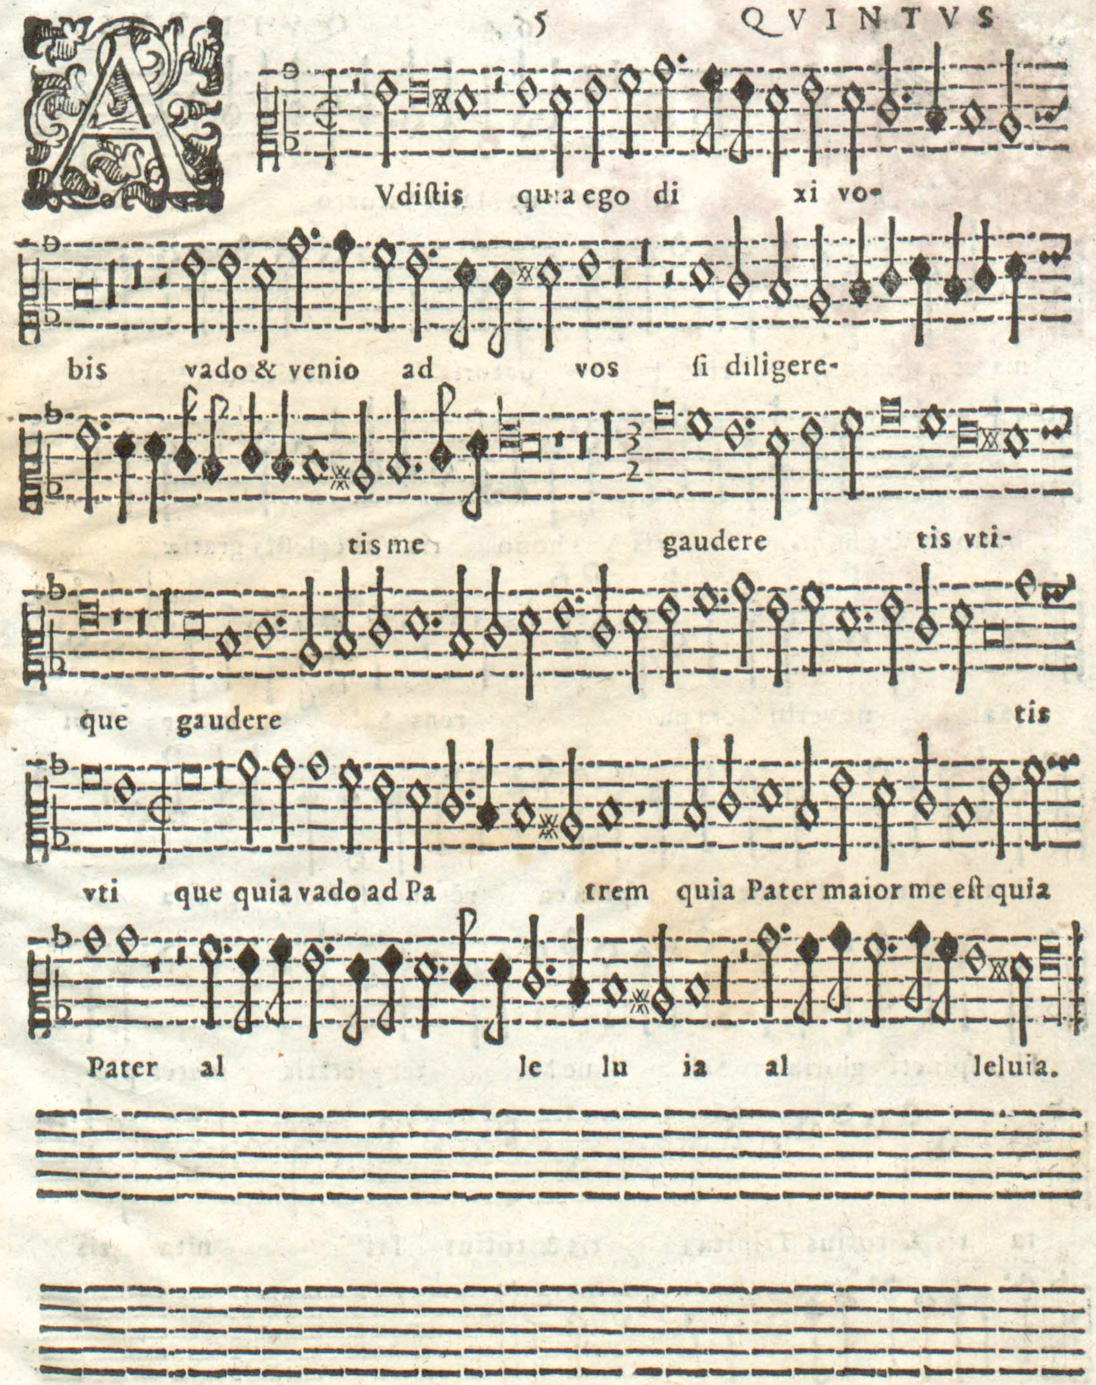

CVm natura ita comparatum sit, vt quem in primis obserues ac suspicias, eum quoque beneuolum tibi facere officijs omnibus cupias: non miraberis vir amplissime cur munusculo hoc chartaceo beneuolentiam tuam demereri studeam, homo licet vix tibi de facie notus, nomini tamen tuo deuotissimus. Sanè verò aliquot anni sunt, cùm inter complures Germaniæ clarissimos viros, te elegi, quem præcipuè colerem: cuius rei causas, si verbis complecti velim, panegyricus tibi dicendus sit, non breuis scribenda epistola. Inhæret pectori meo laudum tuarum suauissimus quidam quasi concentus, quem ex ore laudatissimi viri, summique Musicę, ac Musicorum patroni, Thomę Mermani, olim isthic hausi, cuius memoriam nulla mihi vel temporis iniuria, vel senescentis ætatis infirmitas queat eripere. Obuersantur animo assiduè, quę ille de excellenti tua doctrina, prudentia, summo religionis orthodoxæ propagandæ studio, de mira denique in rebus omnibus tàm aduersis, quàm secundis constantia, prędicabat. Testatur hæc, vel vnum illud nouum Canonicorum collegium, auspicij Serenissimi Guilhelmi Bauarię Ducis, summiq; magistratus Ecclesiastici approbatione, te authore, consultoreq;, in elegantissima vrbe Landishutana nuper institutum, ac legibus sanctissimis ad perpetuitatem, cum immortali nominis tui gloria, constabilitum. Accedit ad præstantia hęc tua in rempubl. merita, priuatus quidam meus erga te affectus, in me, simul atq; modulos meos musicos, aures tuas non insuauiter influere, sed gratos acceptosq; esse, cognoui, illico exortus. Hæc sunt, quę me impulerunt, vt hocce sacrarum cantionum volumen, ad te mitterem quod vt benignè vultuq; hyllari accipere, meq; in eorum numero habere velis, qui te vnicè, colunt, quosq; tu mutuò amandos ducas, etiam atque etiam precor. Vale ex Laude Pompeiana. Cal. Maij M D C I.
